# ADVENT 2017

or any season

A 4-session course written by **Lucy Winkett**, who features in relaxed conversation with **Simon Stanley** on the accompanying audio material.

“It’s a cliché to say that we spend our lives waiting for life to start, but that’s what many of us do until we realise that we’ve been living our lives all along!

Christ, whom we wait for and yet to whom we will also return, is both beyond us and beside us; outside time and yet involved in human time.

Whether you’re always in a hurry or have too much time on your hands, this course is for you, as we explore a spiritual life that encourages us to be active in our own time, but always rooted in God’s time too.”

## SESSION 1

## SESSION 2

How Long O Lord how long?

## SESSION 3

## SESSION 4

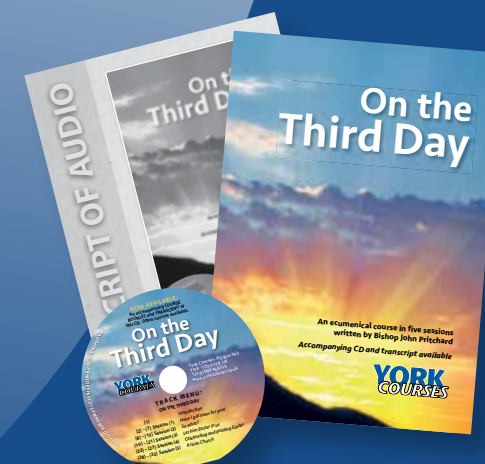

*Kairos and Chronos:*  
is time running out?

Traditionally  
Advent and Lent  
are times in the  
church calendar  
when groups gather  
to discuss and  
explore their faith  
together. *So what are  
you waiting for?* and  
*On the Third Day* have  
been created with this  
in mind - although  
both courses can be  
used at any time of  
year.

The course materials are carefully designed to minimise preparation time. They are suitable for inexperienced group leaders, yet versatile enough for more confident leaders to adapt to their own preferred style.

A wide choice of questions at the end of each session means that, wherever you are on your journey of faith, you can join in with the lively discussion!

“The resurrection is the Big Story that turned a little Jewish protest movement into a world-transforming religion. And yet by Easter Monday we’ve almost forgotten about it and are planning our summer holidays. How can we recapture the explosive power of the resurrection that ricocheted around the world? How can we live in the glow of resurrection and be an Easter people? How can ‘there and then’ become ‘here and now’?”
